

*Air of Tomball - Houston*

*Dear David,*

*Thank you so much for working with me and making arrangements so that I could pay off my new furnace during this next year. I appreciate this thoughtfulness on your part. I really feel much better having a company that cares about their customers. I was so pleased with the work your installers did on my new air-conditioning and with the through inspection done on my old furnace.*

*I have enclosed an itemized form of all payments and checks to cover the down payment and payments for the next twelve months. I have set the payments up to be due on the 20th of each month beginning with November of this year.*

*Once again thank you so much for everything. If you have any questions, please feel free to call me at home or at work.*
